Volunteer Pamphlet

THE VOLUNTEERS

*A rare breed they, the volunteers
Opposite the profiteers.
They give their time, seek no return,
Of gratitude, they little earn.
They give their cash, and talent too,
Their gifts are known by very few.
They rarely hear the accolades,
Or ride in front of big parades.
Day after day they help mankind,
A better lot in life to find.
They lead the young, assist the old
And yet their story's rarely told.
Unlike the greedy of this earth
Who count their gold to fix their worth,
The volunteers with hearts of gold,
Can count their wealth a million fold.*

Volunteers

The Heart of Gateway House of Peace

Volunteers are a diverse and flexible group of individuals who share a common interest in helping families cope with the stresses of terminal illness.

Volunteers are women and men of all ages who come from every walk of life. Their reasons for volunteering are as varied as their backgrounds.

Volunteers are motivated by values that allow them to act on their belief about the importance of giving to others.

We would love to have you become part of our team.

Join us in our mission to help those reaching the end-stage of life.

Introduction to

Gateway House of Peace

What is Gateway House?

A home modeled after other community homes for the terminally ill. Gateway House of Peace will be a two bed home like setting for those in need of our service. Staff and volunteers will provide personal care and extended family emotional support.

Who is eligible?

Anyone under hospice care is eligible for residence at Gateway House of Peace. Referrals will come from hospice, health care agencies, hospitals, physicians, social workers, family and friends.

Cost to the residents?

Services are **free of charge**. Gateway House will collaborate with hospice to provide a medical care plan for our residents.

How is the home staffed?

The home will be staffed 24 hours a day by dedicated community volunteers and paid staff.

Is this home needed?

Hospice is not able to provide 24/7 skilled nursing for their patients at home. As a result, many low to middle income people of all ages who can not afford to pay for 24/7 home care. Remain unsafe at home with little to no family to help.

Where is the house located?

We are in search of land or a house to be donated in the Greenfield Center area.

How are we funded?

Our home relies on community support, donations, grants, fundraising, memorials and bequests.

Tell others about our home

In order to be successful in our fundraising efforts we need to develop a groundswell of community support. Please spread the good word of Gateway House. Let others know what we are doing.

How to get involved

If you believe that end of life care can be a positive and enriching experience and you have time to provide support for others in need, call Joni at (518) 654-5403 e-mail at:
