# Gateway House of Peace

*A 501c3 Charitable Hospice  
of Saratoga County*

*Our vision is to establish a home serving  
Patients of Hospice in Saratoga County.*

*Gateway House of Peace will provide a peaceful and  
compassionate home like setting for those in most  
need of care by a Medicare Certified Hospice  
provider.*

*Our volunteers will provide extended family support  
and end of life care for our residents, and their  
families, as they prepare for life's greatest journey.*

*You can help us bring the needed hospice care and  
support to our community. We are a charitable  
hospice fueled by 100% volunteer staff, donors, and  
community leaders.*

## **Introduction**

---

Gateway House is a future community support home for end of life care. A home like setting which serves people with irreversible illness who are no longer able to remain safely in their own homes.

We will be an alternative for those who choose not to spend their final days in a hospital or nursing home.

Our goal is to provide the love and support to individuals who are under the medical care of a Medicare Certified Hospice as they prepare for life's greatest journey.

Our services will be free of charge to those in need. Gateway House will not receive any financial funding from the government or insurance reimbursements. We rely solely on donations, memorials, fundraising, grant writing, bequests and gifts from the community.

Gateway House will provide a two bed facility to ensure compassionate care in a peaceful, home-like environment for our community's terminally ill residents.

Residents of Gateway House would have three months or less to live as determined by their health care providers and would be under the medical care of a Medicare Certified Hospice provider.

There are many homes like this providing this important service throughout New York State.

Our goal is to see that Gateway House has the same success.

A feasibility study performed for our target area identified a great need for this type of home. Our goal is to have our house up and running by early spring of 2013.

## **How You Can Help!**

---

### **Land donation**

- Land in Greenfield Center or the Surrounding area

### **Building Materials & Services**

- Can you donate building materials?
- Can you donate services?
- Do you know someone who may be willing and able to help?

### **Events & Volunteers**

- Help at Fundraiser & Outreach Events
- Public Speakers
- Fundraising & Capital Campaign
- Public Relations

### **Other Ways to Contribute**

- Organizational Leadership
- Operational Resources

### **Tell Others About Our Vision**

Success depends on a groundswell of community support. Please spread the good word of Gateway House. Let others know what we are doing.
